250 to 999 employees

1 to 9 employees

1,000 to 4,999 employees

The [Job Openings and Labor Turnover Survey](#) (JOLTS) measures market supply and demand as updated monthly. Separations consist of Quits, Layoffs and Discharges, and Other Separations. Collectively this comprises the total separations. The primary difference between quits and layoffs is who initiates the separation. Layoffs can occur for many reasons. A key factor for a temporary layoff is whether it is expected to last beyond 7 days.
